CUSTOM UNIFORM – for 18” DOLL: \$49.95 (shipping included) - or - BEAR: \$54.95 (Bear and shipping included)

- b. Indicate Doll / Bear (girl or boy).
- c. Specific colors of uniform and striping/lettering.
- d. Specific color of briefs.

Ordering Customized Cheer Uniform:

1) Photos with description - The first step in designing a custom uniform is to send us pictures that have views of the front/back/side and any other unique angles that might show detail.

Please be sure that the lighting represents the colors accurately since we will be using your photos for color matching.

Describe the coloring and striping in your e-mail with the photos. As you can see from the sample photos below, silver striping can sometimes appear white, so we want your order to be accurate by identifying colors.

****IMPORTANT** - We will need the team's logo from the front of the shirt so it can be enlarged for our design process. Team letterhead or a logo from a website works great when available; otherwise, you can take a flat, front-on shot that will allow for enlarging.**

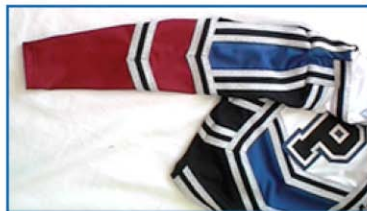

I will need individual photos of your cheerleader in uniform or you can take at least 4 photos of the uniform placed on a neutral colored background as shown below.
